Parks, Recreation, and Tourism provides and emphasizes an area in Commercial Recreation.

Commercial Recreation

- With an emphasis in Commercial recreation, you will have many job options.
- These options include: adventure guides, business owner, recreation manager, event planner, resort supervisor, and many others

Commercial recreation

- Commercial recreation = entrepreneurship
- Commercial recreation = business management

In the PRT commercial recreation emphasis

You will build the necessary skills to build or manage a recreation business. These skills include: accounting, marketing, risk management, event planning, computer applications, and many more.

Work hard play hard

- In the parks, recreation, and tourism program, we not only work hard but have fun while we are doing it.
- With classes such as: mountaineering, backpacking, fly fishing, kayaking, rock climbing and many others

I found my path, Have you?
